## Utafiti Sera (Research-Policy Community) on Social Protection in Kenya

In 2013, 389 million (50.7%)
people in Africa
lived on \$1.90 a day or less (World Bank, 2016).
Around 40% of Kenya's population of 48.6 million live on \$1.90 a day or less (World Bank, 2016).

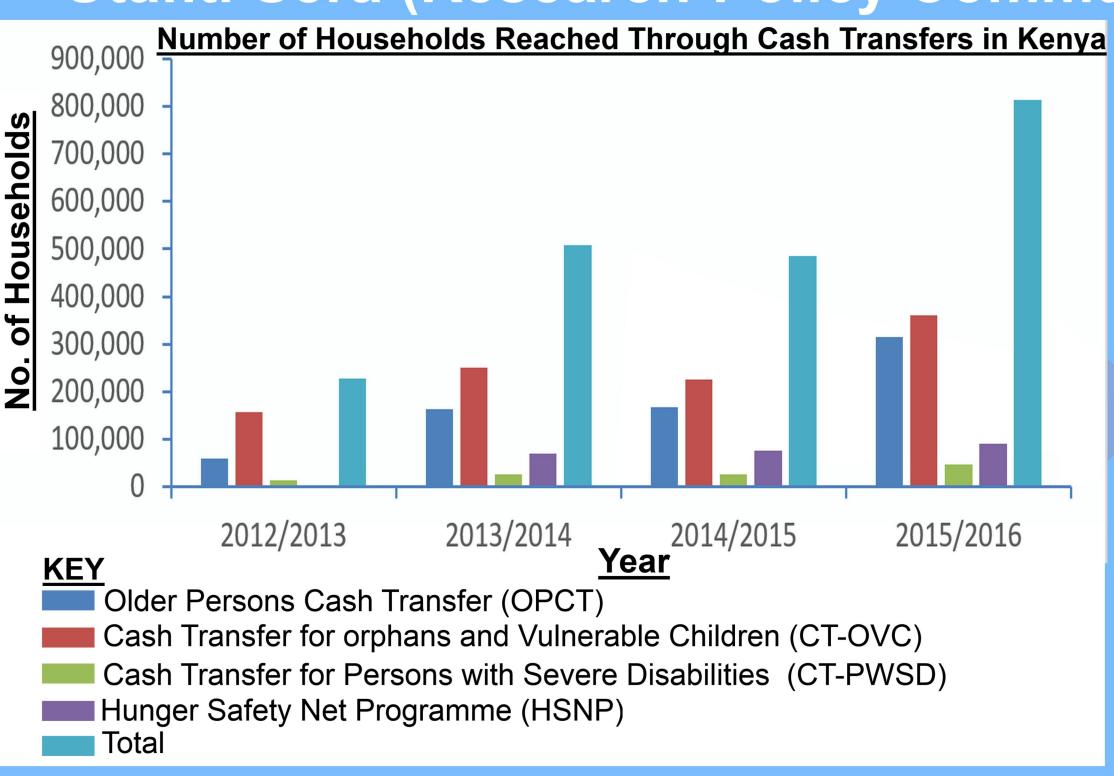

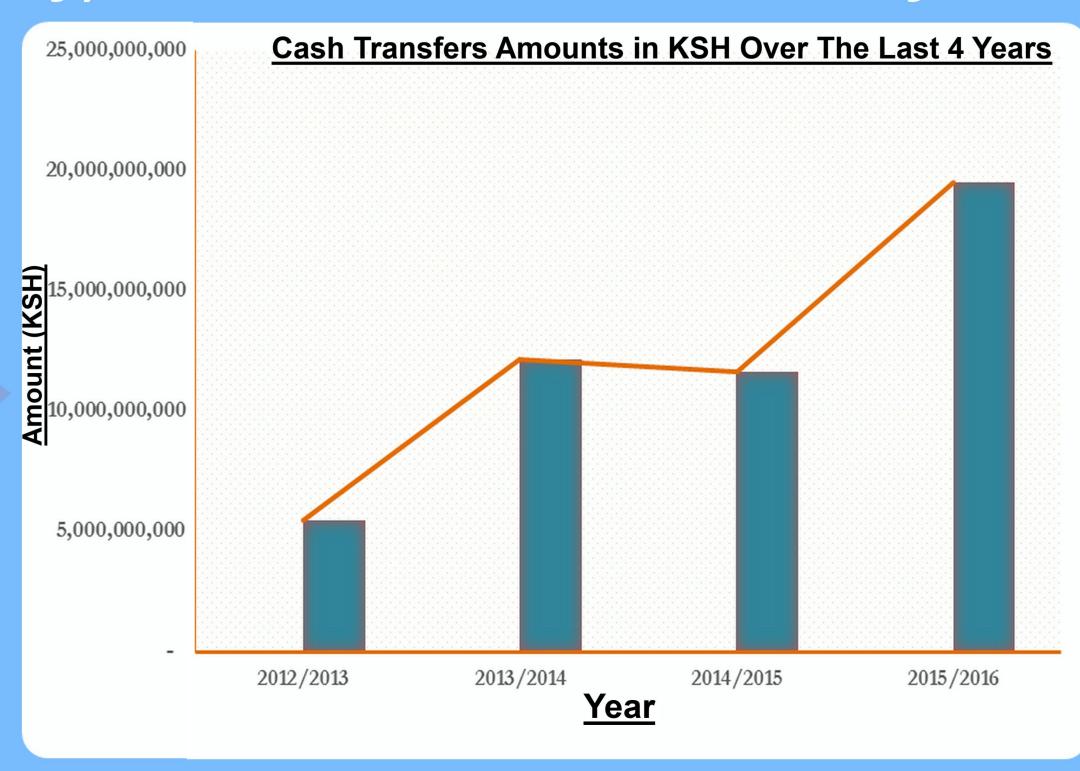

#### **Global Safety Net Coverage of The Extreme Poor**

Source: Poverty data are from the World Bank POVCALNET, program number of beneficiaries from Atlas of Social Protection

## Utafiti Sera (Research-Policy Community) on Social Protection in Kenya

# Positive Impact of Social Protection Programmes

Improved enrolment for orphans and vulnerable children

Improved sense of dignity

Improved standards of living for the poor and vulnerable populations

### Research-Policy Recommendations on SP

Develop a comprehensive legislation on social protection

Introducing universal cash transfers to senior citizens and persons with servere disabilities

Determine the appropriate exit, graduation and sustainability strategies

Explore alternative financing strategies to expand funding sources

Ensure coordination in the design and implementation of the programmes

**Credits:** The AIHD acknowledges the immense contribution of PASGR and INCLUDE for establishing and supporting the implementation of Utafiti Sera on social protection in Kenya
